Re: Car Mover Training Program – AMENDED AGREEMENT

Dear Mr. Sanchez:

The Parties herein agree to the following modifications and amendments to the attached January 15, 2015 Car Mover Training Agreement. All current and new Maintenance of Equipment Department Electrician Car Movers (“CM”), shall be expected and required to operate remote controlled rail shunters for the movement of Long Island Rail Road rolling stock, at the direction of management and/or supervision. To that end the Training Program shall be modified as follows:

- All new CM trainees will receive instruction on the operation of the Remote Control Track Mobile Unit, also known as a rail shunter, as part of the initial program.
- Training on the safe operation of remote controlled rail shunters will be included in the Car Mover Training and Qualification program and details added to the Car Mover Manual.
- All qualified CM currently holding positions of CM will be provided a familiarization training program for remote controlled rail shunters prior to their usage of the equipment.

The new 100% rate of pay for Electrician Car Movers shall be increased to \$39.811, and subject to future negotiated general wage increases.

All other terms and conditions of the Car Mover Training Agreement, the Jurisdiction of Work Award dated December 6, 2012, the provisions of the Controlling Agreement and past practice shall remain in full force and effect.
