**RE: Waterpump Station Preventative Maintenance Contract**

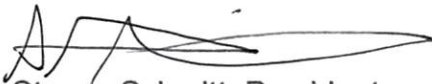

Dear Mr. Coughlin,

In October the IBEW was in receipt of the attached letter that was addressed to Ricardo Sanchez pertaining to the above-mentioned work. On November 3, 2023, a meeting with the department was held to discuss and then a tour of some sites took place on February 6 and 7, 2024.

After careful consideration, IBEW Local 589 does **NOT** give concurrence for this work to be contracted out. The IBEW does in fact have the manpower and skills to perform this work.

Again, this is a formal non-Concurrence to the attached letter.

Regards,

Steven Schmitt, President  
International Brotherhood of Electrical Workers  
Local Union 589
